

Thank you for your interest in ReWild! We are searching for reliable, trustworthy volunteers to be the voice for Northwoods wildlife and for our organization's mission.

Wildlife rehabilitation can be very rewarding, but also unpleasant at times. Volunteer duties may include interacting with sick, dying, injured animals, lifting heavy items, exposure to unpleasant weather and insects, and feeding prey to meat-eating animals.

VOLUNTEER APPLICATION

Name:

DOB/Age:

Address:

Email:

Current workplace:

Retired
